6. Important notes regarding application

- (1) Applicants cannot apply after the deadline for approval by the junior high school principal. They also cannot modify the application information or related details once approved by the junior high school.
- (2) The file formats for documents uploaded to the System must be one of the following: jpg, jpeg, png, xlsx, docx, or pdf.
- (3) For names and other information, use characters that can be displayed in the System. If any characters cannot be displayed, the junior high school principal must complete a Report on Character Usage (Format 8) and upload it to the System.

7. Changing the school of choice

An applicant is allowed to change the first school of choice only once by the deadline for approval by the junior high school principal for changing the school of choice. The procedures are as follows:

- (1) The deadline for approval by the junior high school principal for changing the school of choice is 12:00 noon on Monday, February 9, 2026.
- (2) An applicant who wishes to change the school of choice must submit a change request through the System. The junior high school homeroom teacher then verifies the change request, and the junior high school principal approves it. The former high school of choice approves the change

request, followed by approval from the new high school of choice. Once both approvals are completed, the change is finalized.

- (3) When changing the school of choice from a prefectural high school to a municipal high school, or vice versa, the applicant is required to pay the entrance exam fee for the new school of choice. The entrance exam fee paid to the former high school of choice will not be refunded.

8. Interview and written exams
